

VISI COOLERS

VISI COOLER

Form meets function in this stylish merchandiser. The Visi Coolers are especially designed to cool uniformly as well as showcase the products inside. Ideal for storing beverages and dairy products for a longer time at desired temperatures. The low emissivity glass is there for more than just good looks. It also restricts the loss of cooling. The coolers are tropicalized for cooling in high temperatures and designed for faster pull down time.

They also come with an option for in-built stabilizer and LED lights.

These compact storage solutions are a perfect match for commercial cooling purposes.

-  Soft aesthetic design
-  Castor wheels for easy mobility
-  LED light
-  Upto 40% electricity saving
-  Rugged and Heavy-duty shelves
